# Jamie E. Polley

Retired in 2021

## Experience and an appreciation for communication allow me to deliver timely, effective service.

Jamie is part of the Condominium and Residential Real Estate groups at McLeod Law. His practice focuses on:

- condominium corporations
- homeowners associations
- land surveyors
- real estate

He is well versed in the governing legislation and related judicial authority in these areas and has extensive experience pursuing judicial remedies when required.

## Education

**1977** University of Saskatchewan, LLB (with Distinction)

**1976** University of Saskatchewan, BA

## Admissions

**1978** Alberta

## Experience

Counsel for condominium corporations, homeowners associations, their boards of directors and property managers, assisting them with the issues that can arise in their business affairs. Jamie also works extensively with land surveyors when a court order is necessary to help them complete a land development project or correct a plan of survey.

## Community

- National Association of Condominium Managers
  Steering committee member, 2009-2010
