Mutual Fund Trusts in the Exempt Market

McLeod Law and BDO are pleased to co-host a presentation on Mutual Fund Trusts in the Exempt Market.

Mutual Fund Trusts (MFTs) offer a flexible flow through entity whose securities are eligible for registered investments. As a result, MFTs are gaining popularity in the Exempt Market. In this seminar, McLeod Law and BDO will explain how MFTs are structured and how they operate in the Exempt Market. The topics covered will include:

- Structure options
- Tax aspects
- Securities compliance
- Financial matters
- Converting to a MFT

Presenters:

- **Neil Hutton** and Ryan Franzen of McLeod Law LLP
- Hal Sloan and Graham Marjoribanks of BDO Canada LLP
